

PASS

SQLSATURDAY

SIOUX FALLS

FREE TRAINING EVENT

Saturday, August 10th, 2019

SQLSaturday is a free all-day training event for data professionals and those wanting to learn more about databases, data science and analytics. This event will be held at:

**Augustana University , Froiland Science Complex, 2001 S Summit Ave,
Sioux Falls, South Dakota, 57197**

The (605)SQL User Group is proud to host South Dakota's 5th annual PASS SQLSaturday in Sioux Falls.

Why should you attend? **Here's why:**

- Speakers, attendees, employers, and sponsors from the 5 state region (SD, ND, MN, IA, NE)
- A large variety of training topics
- A large representation of local professionals from the Finance, Manufacturing, and Healthcare industries
- Promote awareness of talent in the region and local industries
- Networking opportunities
- It's Free! (Optional lunch is available for a nominal fee of \$12)

In addition to SQLSaturday we are also hosting our second annual SQLSaturday PreCon on Friday, August 9th also at the Froiland Complex at Augustana. Here's some info on the PreCon:

- The all-day session is \$99 and includes lunch as part of that fee
- 3 all-day tracks to choose from: Business Intelligence, Analytics, and Database Administration/Development
- Tracks are taught by experienced data professionals
- Tracks are day-long, in-depth, comprehensive training sessions

Local trainings of this caliber and at this price are very hard to come by so we hope you take advantage of them. You can find out about the PreCon topics and sign up for it at our event site listed below.

Please register soon by visiting the event site listed below, as seating is limited. Also, please spread the word to friends, family, and colleagues that would be interested!
